

I signed up for Indiana's No Call List because I felt that all the credit card, banks and other such companies were violating my right to privacy. If I want to do business with them I will contact them. I feel that I am being forced into interacting with them. It is especially rude of them to call me and then have a machine tell me to standby. I have broken a couple of phones because of this bad practice.

I want my privacy to remain in MY CONTROL, not some bank!!!! Disapprove the Consumer Bankers Association (CBA) petition.

Thank you for your consideration.
